ORACLE EDUCATION RESELLER

As an Oracle Partner, ObjectWin is dedicated to delivering innovative and leading-edge solutions based on Oracle applications, and supporting Oracle in the market.

ObjectWin's consultants are experts in implementing and integrating Oracle applications and supporting technologies as part of the overall Enterprise Architecture.

According to the Gartner Group, "Of all technology implementations, 50% are severely challenged, 24% completely fail, and 25% succeed. The number one reason for this is education, or lack thereof."

Education for Oracle products is of utmost importance. At ObjectWin, we strive to offer our client's the highest quality of customer service. Whether you are planning on taking a single class or sending your entire team to training, ObjectWin can assist with finding Oracle classes to meet your needs. We offer better pricing and discounts for training to help assist your financial needs.
